**Attorneys For Appellees**  
**RTX Telecom A/S &**  
**Skype Technologies SA**

Appellees Cisco Systems, Inc., RTX Telecom A/S, and Skype Technologies SA (collectively, “Appellees”) file this Unopposed Motion for Extension of Time to File Appellees’ Brief pursuant to Federal Circuit Rule 26 for the reasons set forth below. Appellees seek an extension of fourteen (14) days, to and including October 15, 2015, within which to file their Appellees’ Brief.

1. Appellees’ Brief is currently due on October 1, 2015.
2. Appellees have not previously sought an extension of time to file their brief.
3. An extension of time will ensure reasonable time is available for adequate preparation of the brief. This additional time is needed for the following reasons:
  - a. Appellees are planning to file a joint Appellees’ Brief to ensure the most efficient use of judicial and litigant resources. Coordinating such a joint brief among three Appellees (with two of them headquartered in Europe) and two law firms requires additional time.
  - b. Appellees are simultaneously preparing their Appellees’ Brief in a companion case before the Court, Case No. 15-1757, where the Appellant Riparius Ventures LLC has raised different issues. The Appellees’ Brief in Case No. 15-1757 is currently due on October

1, 2015 (the same day as this case). Appellees are filing a similar motion for extension of time in Case No. 15-1757.

4. The extension is sought so that justice may be done and is not for the purpose of delay.
5. Counsel for Appellants does not oppose this motion.

**CONCLUSION AND PRAYER FOR RELIEF**

Accordingly, Appellees respectfully request that the Court grant them a fourteen (14) day extension of time to file their Appellees' Brief until October 15, 2015, and order any other relief to which they are justly entitled.

Dated: September 18, 2015

Respectfully submitted,

/s/ David L. McCombs
